AMUSEMENTS. INTRODUCTORY ANNOUNCEMENT.

"I cannot wish my friend a better audience than he will have in the American people, and I cannot wish them a better actor than they will have in my friend,"—Dickens.

Mesers. JARRETT & PALMER feel proud in being able to announce to the public that, at a great outlay, they have succeeded in effecting an engagement with

Who sailed from Southampton yesterday in the North German Lloyd's steamer Main, and who will make his first appearance in this country on

MONDAY EVENING, JANUARY 10, 1870,

MONDAY EVENING. JANUARY 16, 1876.

In making this announcement the managers do not consider it necessary to in any manner prejudice public opinion in favor of the REPRESENTATIVE ACTOR OF THE EUROPEAN STAGE, whom they will have the honor of introducing.

Mr. FECHITER'S fame as an actor is world-wide, and is as familiar here as in the foreign capitals, where his gening has won for him the most flattering tributes of honor from the most critical and distinguished audiences. Stremous educits have been made for some years past to induce Mr. Fechiter to visit the United States. All, however, have failed up to the present moment, and Messre, Jarrett & Palmer feel what they believe will be conceded to be a justifiable pride in securing an artist concerning whom so much has been written in the Old World and read in the New.

In order to give to Mr. Fechiter's performances the importance their merits demand, the managers have also engaged who is acknowledged to be the leading actress of the English stage, and who has received the most favorable notices from the European press.

stage, and who has received a dompany of the European press. In addition to the shows, a dompany of the HoroConflict First CLASS ARTISTS has been the HoroConflict First CLASS artists of detail, for which Niblo's Garden has already curred an enviable reputation, will be brought to bear upor the production of all the plays produced during Mr. Fechter's ngagement.
